Man Burned Trying To Save Dog

Efforts of M. A. Lemons, 37, of 1825 Pacific Coast highway to rescue his pet chihuahua from the flames proved futile and resulted in serious burns to himself Saturday morning.

Lemons was treated for first and second degree burns of the hands and face sustained when he rushed into his burning house.

Rescued by Lemons and firemen was one kitten and one chihuahua, while the other dog perished in the flames.

Two county fire department engine companies, directed by Capt. Robert Thomas, kept the flames from enveloping an adjoining appliance store, at 1821 Pacific Coast highway. Heavy damage resulted, however, when an automatic sprinkler system went off, drenching refrigerators and television sets.

Damage to the buildings was set at \$11,050.

Owner of the building was listed as John Hanna, Lomita.

Host Of Celebrities Will Appear In Variety Show

One of the big surprises of the star-studded cast to appear in "Harvest Revue of 1954" sponsored by the South Bay B'nai B'rith Women, October 16 at Torrance Civic Auditorium, will revolve around the film star Mae Marsh, former star of silent films, who recently appeared in "The Robe."

HELENA SUNDGREN
U.N. Soloist

Miss Marsh became an actress by accident, as while visiting her sister Marguerite on a movie set, she was casually asked by the director if she would like to act. When she expressed that it was her ambition, she was soon launched

on her career with two famous 1911 film hits... "Birth of a Nation" and "Intolerance."

This movie pioneer was Sam Goldwyn's first star in 1917 and 1918 where she worked with such notables as Mabel Norman, Madge Kennedy, and Mary Garden. She now resides in Hermosa Beach where she devotes her time to her three children and six grandchildren, spending her leisure hours at two favorite hobbies, oil painting and gardening.

Noted Singer

Brad Marro, reputed by Carl Lertzman, director of Frankie Lane Enterprises, to have the greatest singing voice of our

time, will be another highlight of the program. Marro has appeared on the Larry Finley show, and also at the Manhattan Beach Fun Fair. He spent 3 years in the Navy, was a former swimming champion, and is a graduate of the University of Omaha.

Distinguished Soloist

Helena Sundgren, who possesses distinction of soloist for the United Nations, has appeared in many operatic roles in Stockholm, and other Scandinavian cities, as well as America. She sang the lead in the New York production of "Show Boat," and made her first TV appearance in Cleveland. She

also specializes in folk music, and appeared at the Folk Ballad Festival in Los Angeles.

Carol McDougal plays an important but seldom publicized role of accompanist. She is currently with Paramount where she works with Tab Hunter, Farley Granger, Marilyn Maxwell, and Terry Moore. She appeared on the Hedda Hopper show, the Brown Derby, toured with Ballet Russe de Monte Carlo, and played in a dual piano team for three major radio networks. Her husband Don, will also appear on the show as vocalist.

Proceeds to Charity

All proceeds from this benefit affair will be automatically dispersed among the many charities B'nai B'rith maintains and supports. Information concerning the purchase of tickets for the show may be obtained by calling Mrs. William Brodsky at FA 8-6229 or Mrs. Richard Schroeder at FA 5-1397.
